Co-Defendant Puerto Rico Cable Acquisition Corp. has filed a request for dismissal as to Roberto Samalot's claims against it pursuant to a settlement agreement and general release executed between them arising from a complaint before the Commonwealth of Puerto Rico, Court of First Instance. After a review of said settlement agreement, the Court finds that in ¶ 5 of the terms and conditions of said agreement, co-plaintiff Samalot releases co-defendant PRCAC from all liability in both state and federal courts. Accordingly, the Court GRANTS PRCAC's request and DISMISSES only co-plaintiff Samalot's claims against only PRCAC. All of Mr. Samalot's other claims against all other co-defendants remain active in the instant case.</p> <p>Partial Judgment will be issued accordingly.</p>
